### HALSEY SEEKS RE-ELECTION ON 4-YEAR RECORD

When I filed for re-election I did not anticipate any opponent at all. However, since another candidate has filed, I feel it my duty to make a statement to you in regard to my campaign.

During my entire campaign for re-election as your County Judge I have attempted to conduct my campaign and to solicit your vote and influence on my record alone and not on my promises of things to be done. I still want to appeal to you on my record. Any man who serves the public as a public official has his acts to show what he has done and the best way to judge a man as to what he will do for you in the future is to look around and see what he has been doing in the past. I never have and do not now intend to engage in any derogatory campaign, but I do want to answer any questions which you, the public, have in mind and which may be started or instigated by one person or persons opposed to my re-election.

A number of rumors have been circulated and are being used by persons opposed to my re-election, that we have a dictatorship in Morgan county and that this dictatorship consists of a political machine which they would like to have run and controls every office in Morgan county. I would like to say to you that if you have not had dealings with the county judge's office during the past four years, that if you would contact persons who have had occasion to deal with the county court and ask them just how the functions of the court have been carried on, they would tell you. In every instance and on every issue which I have had to decide, I have done so on my own after hearing both sides and my decisions have always been based on what I felt was the fair and just thing to do in each instance. I have tried to keep an open mind in all cases and in all of my acts and to treat those persons who were unfriendly toward me with the same respect and fairness as I would treat any citizen or resident of Morgan county.

It has also been rumored that state employees have been hired and put to work so that they could vote for and work for my re-election. I would like to say to you that there are no more men working for the State Highway Department in Morgan county today than there were one year ago and I have never told any employee of the State Highway Department in Morgan county that they had to vote for me or work for my re-election.

In the handling of the finances of Morgan county, I have tried to handle the revenue of the county as efficiently as I possibly could and to spend it so that the county as a whole can reap the benefits. To publish a record of the county finances would cost a considerable sum of money, which would be an expense to you, the taxpayers of Morgan county, and I feel that money necessary to publish the finance record of the county could more wisely be used for the benefit of the people of Morgan county, than to be used in a political campaign. These records, however, are public records and are open for inspection to the public and anyone who desires to do so may look at the records at any time in the office of the Morgan County Court Clerk. A review of these records would show that your money has not been foolishly spent and that we have not run into debt, but that we have a surplus and

### Young Democrat Club Endorses Ren Nickell For County Attorney

As the Primary Election draws near I wish to appeal to not only the members of the Young Democrat Club but to all Democrats to support Mr. Nickell in the race for County Attorney. He has been a life long DEMOCRAT and was never accused of trying to run on an INDEPENDENT, REPUBLICAN or MUGWUMP ticket. Mr. Nickell's record has proven he is well qualified to represent the Commonwealth at all times. He is always ready to give legal advice to those in need. His interest since back during the WPA days in road building and up to the present time has shown the people throughout the county that he has cooperated with the County Judge, Morgan County Fiscal Court and the State Highway Department in obtaining more roads year after year. He is well known with all highway officials and they know he is in there trying to help build up our County and State in which to make a better community for all the citizens to live. We all know that he never has been accused of WRITING LETTERS to various cities, Frankfort or Washington, D. C., trying to destroy someone who is in need of assistance.

His opponent Mr. Wells is trying to appeal to the Democrats that he is their friend and a Democrat, and at the same time his wife running on the Republican ticket for Tax Commissioner. He appears to be a MAN OF LETTERS and one that neither the Democrats or the Republicans will claim.

Let's all Democrats go to the polls on August 1 and give Ren F. Nickell, the Democratic candidate, one of the largest majorities we have ever given him.

RAYMOND B. GOSE  
Chairman, Young Democratic Club of Morgan County

that the county is in good financial standing. In the past four years I have spent a considerable portion of my time and of my own money in traveling over the county and in making trips to Frankfort in order to obtain every mile of road which I possibly could obtain for Morgan county. In doing this I have not favored any particular sections of Morgan county nor any particular persons. There is not any section of Morgan county that has not had some road construction within the past four years. Of course, some of these roads that have been built have gone by the properties and homes of persons who were special friends of mine, however these roads have also gone by the homes and properties of persons whom I knew were not friends of mine and persons who I know will not support my re-election. However, in considering the roads to be built these facts did not enter into the building of these roads, but the only facts which entered into the building of these roads were the needs of the people and the benefits to Morgan county.

Very often in county elections in the past it has been the political strategy of some persons to issue hand bills close to election time stating derogatory remarks and making accusations which the opposing candidate would not have the opportunity to defend or to explain, and these hand bills very often bore no signature, or if signed at all, were signed by some irresponsible person. I do not know that any such hand bills will be circulated in my race or in any other races in the August Primary, however, if such hand bills should be circulated I feel sure that the people will recall such instances in the past and that they will not consider any information circulated among them and that you will consider the facts and the records and make your decision and your choice in the election from those facts and upon the record of the candidate.

I do not wish to boast of accomplishments and the progress of Morgan county since I have been your county judge and would rather leave my record with you which you may obtain from those who have worked with me in the past four years and which you may see in the form of new roads and new construction that has been done over the entire county in the past four years.

It is my record in office for the past four years which I now stand on in seeking re-election and I want to express my sincere appreciation for your support and the confidence in the past and for the interest which so many of you have shown in my present campaign. My only promise is that if re-elected I will continue to the best of my ability to carry on the affairs of the county for the best interests of all of the people of Morgan county and I sincerely solicit your vote and your influence in the coming election.

### REN F. NICKELL CITES WORK FOR COUNTY PROGRESS

In concluding our newspaper discussion of this primary election, I am letting you know that I am and always have been a Democrat. I have participated in our Democratic primaries and supported the nominee of that primary or convention.

As your County Attorney, I have at all times endeavored to uphold the law. I have at all times protected the interest of the county, and have at all times seen to it that the county lived within its means, especially in this true sense the passage of the "County Debt Act" which made the task easier. I was in office at the time of the passage of this valuable piece of legislation and helped to set up our financial structure under its provision, the most helpful of which provides that you can not anticipate next year's revenue and spend it in this year. It has not at all times been easy to live within our income, but we are doing it.

Over the last twenty years I have watched with pride the legislation improving our State highway system until today we have one of the best highway systems anywhere. Under this system and with our support during the last two Democratic State Administrations we have procured more miles of roads for Morgan county than have ever been known before.

In all these endeavors to get roads, I have been right there working for them and helping to procure all the road improvements that we have. In many cases I have had to file condemnation proceedings to get right-of-way for these roads, which often times was an unpopular undertaking, but these proceedings have resulted in permanent road improvements.

We all know that there are a number of people who are not satisfied with all our undertakings; they clamor for a change and want to get back to the old order of things; that they take the view for these roads, which our fathers is good enough for us and our children. In my way of thinking, this view is wrong. We must look to the future and work for more and better improvements for our own generation and future generations. Let us make this county a better place in which to live.

I am asking that you do some serious thinking before you vote for a change that would not bring better conditions. Will you think it over before you vote? I believe that you would best serve your own interest by voting for me.

Very truly yours,  
REN F. NICKELL

### LAST APPEAL TO VOTERS

To the Voters and My Many Friends of Morgan County—

As the time is drawing to a close I am making my last appeal to you to work hard and help to get the voters out and for a clean election. Disregard any rumors that I am allied with any other races. As I said in the beginning I am still "lone wolfing" my race. I have nothing but praise for all the candidates.

To my two worthy opponents Joe and Bob I have nothing but the kindest regards and when the smoke of the battle closes August 1st and you find me a winner by handsome majority, I'll expect you as real Democrats to get behind me and help me carry the Democrat banner to victory in November.

### A MESSAGE TO THE MORGAN CO. VOTERS

To the voters and my many friends: I take this privilege of introducing myself to you as you know that I am a candidate for jailer of Morgan county, and I want to promise you fathers and mothers of Morgan county this: as you realize, the best of families have sons that get in jail, and if you want your son treated as a gentleman, if he falls in my custody, I am the man for you to vote for, for your son will be treated well and gentlemanly and fed well. Because a man gets in wrong he should not be treated as a brute. So I select your vote and support on this promise.

### LAST STATEMENT OF LONNIE SMITH

Last week I publicly announced in this paper that my foremost desire is to do all in my power to make Morgan county a good place in which to live. I am interested in children and young people, for I want them to be able to go to and from church or whatever place they are attending without being annoyed by drunks or molested by those who have no respect for our children. If elected sheriff, I will visit the churches in the county in order that the meetings can be conducted without being disturbed. I have a good county and I want to be a part of making it even better.

As the election draws near I want to express my congratulations to my opponents for not publishing a lot of "mud" and false statements about me. I have tried to stand for the right all my life, realizing of course that I have made many mistakes. But what mistakes I have made have been through ignorance and not from any willful attempt to do something wrong. I have nothing to hide from my past life. I have served several years as Magistrate. I am sure every one who knows must say that I acted squarely in all my dealings and spent a good deal of time and effort in carrying out my duties as best I knew how.

If the people of Morgan county elect me as the next sheriff, I want to assure you I will be on duty 24 hours a day. I will be alert in keeping down crime and whether day or night I will be ready to answer the call of any one who needs an officer's help. I have made no secret deals with anyone and I will be no respecter of persons when it comes to carrying out the duties of a sheriff. This being the last statement there will be before the election to express myself publicly, I want to say that I have no ill feeling toward my opponents and whether I win or lose I want to count them among my friends.

Sincerely,  
LONNIE SMITH

### TIME TO THINK

Some reasons why you should elect Lynn B. Wells, your friend and neighbor, as your County Attorney.

1st, He is a veteran of World War I. He fought for you, will you fight for him? He has been a friend to the service men and their dependents, doing their work without pay.

2nd, He is fearless. God fearing, hard working and especially well qualified for County Attorney.

3rd, Morgan County has five young attorneys, and he wants his opponent and himself to stand aside and let the young attorneys have the office.

4th, He is for more and better roads, and can be depended on to fight for a good roads program.

5th, He has always been the taxpayer's friend, and worked for the reduction of the county's debt, and MORGAN COUNTY has a bonded debt of \$160,000.00.

6th, He is for better schools and will work for the interest of the schools of Morgan County, as he was a former teacher.

7th, He will be the legal adviser to the other County officials and he will cooperate with them and help them do a better job.

8th, He will work with the Circuit Court, especially with the Grand Jury, and will help to make Morgan County a better place in which to live.

9th, He does not belong to any political clique or combine and is free to work for your interests.

10th, He has made a success with his undertakings through hard work, and will be a better business man to help with the County's business affairs.

SOME REASONS WHY YOU SHOULD NOT VOTE FOR MY OPPONENT, Ren F. Nickell:

1st, He promised you 4 years ago that he would not be a candidate—a promise he has not kept.

2nd, He has been in office approximately 44 years, the last 24 of which he has been County Attorney.

3rd, He started mud slinging and abuse without any provocation, indicating that he is too old for the office or too easy peeved.

4th, He refused to let any of the younger attorneys that have gone to school and qualified themselves have a chance at the office.

Respectfully submitted,

### LYKINS PLEDGES GOOD LAW, ORDER

TO THE VOTERS OF  
MORGAN COUNTY—

On Saturday, Aug. 1, you will go to the polls and elect a sheriff of Morgan county for the next four years which will decide the kind of law and order you will have for that time.

I ask that you check my record along with that of my opponent's as to our reputation and qualification for the office of Sheriff and that you also check the same way about the deputies that each of us have in your community.

I promise and pledge if you will vote for and elect me as Sheriff that my deputies and I will give you good law and order.

### TO THE VOTERS OF MORGAN COUNTY

I want to thank you, friends of mine, for the interest you have shown in my campaign for State Senator. With this continued interest I am sure and without any question to receive this nomination, I have been assured by party leaders and numerous citizens of Lee County of a large vote there. I have also been assured and feel confident of a large majority in Magoffin county. I believe I will receive at least one-third of the total vote in Breathitt county. So you see it is up to you neighbors and friends of mine here in Morgan county as to what majority you want me to have in my home county.

Let's all work hard—go out and vote—get out the vote—and not be influenced by certain selfish men who are always telling you how you have to vote. Let's for once declare our independence, exercise our constitutional rights, and do our duty to ourselves and to our county citizens by voting absolutely for our choice of candidates.

All of the candidates for county offices in Morgan county can and I believe should support me in my race. I have in the past and I shall until election day refrain from dabbling in these county contests. So please give me your vote and support and remember that slogan that you have heard for the past several years "VOTE FOR THE MORGAN COUNTY MAN."

### STATEMENT OF NOAH P. GREER

TO THE PUBLIC OF  
MORGAN COUNTY—

On June 13, 1953, I filed a notification and declaration as a candidate for Tax Commissioner of Morgan County. After I filed requiring my name to be placed on the ballot, our Circuit Judge signed a judgment for my name to be placed on the ballot, after the Ted R. Turner case was decided on by the Court of Appeals. On July 11th our Circuit Judge prepared another judgment ordering the County Court Clerk not to place my name on the ballot. I am sorry that I do not have time to carry this case through the courts before the August Primary Election. I will not be a candidate for Tax Commissioner this year. However, I want to thank the many persons that advised me that they wanted to vote for me and make a fight in my behalf, and to say that I appreciate your friendship and that I am your friend.

Sincerely yours,

### B. T. MORRIS FOR EQUAL JUSTICE UNDER THE LAW

Dear Voter:

I am endeavoring to see as many of you as possible between now and the election. I have been very much impressed with the encouragement the good people of Morgan County are giving me everywhere I go.

I politely asked my opponent to publish a detailed financial statement. He, for some reason, has failed to do so. The law requires the Judge to do this. This financial statement will show the source of all incomes. Also will show in detail to whom every cent was paid and how much the county is in debt.

It should appear to all law abiding citizens that a judge who administers justice on the bench should abide by the provisions of the law.

I am sure it is the desire of most people to have honest law abiding citizens in charge of the fiscal affairs of this county. If you elect me your County Judge I solemnly promise equal justice under the law.

I promise to maintain the dignity of the courts of justice and shall make every effort to maintain the confidence of the people in the county judge's office. Records of all activities of my office will be maintained and made available to all interested persons without question.

I shall consider it my duty to observe and protect the civil and human rights of all men. I shall not seek nor attempt to bolster the income of the office by imposing unjust fines, nor shall harsh or unjust penalties be imposed. If elected I will cooperate with the magistrates and the state for the betterment of Morgan County. We will have just as much money as ever. I will fight to get all roads possible.

When I sit on the bench as your County Judge, I shall decide the cases coming before me on the basis of facts as governed by the laws of this Commonwealth and I promise before God to administer at all times JUSTICE, TEMPERED WITH MERCY.

### ENDORSE MURPHY FOR SENATOR

TO THE CITIZENS OF  
MORGAN COUNTY—

For the past several elections in this county where we have had only one Morgan county candidate opposed by an out-of-county candidate, we have invariably given our support to the Morgan county man. "SUPPORT A MORGAN COUNTY MAN" was the campaign slogan when Major Gardner, C. K. Stacy and C. C. May were opposed by out-of-county candidates. We believed we were doing the right thing then and we believe the same policy is the right thing now, supporting Earl F. Murphy for State Senator.

Mr. Murphy, being a native of Morgan county and having his home, his people and his interests here, is certainly more interested in Morgan county than a Breathitt county man. Any native of Morgan county urging you to vote against Earl F. Murphy would seem to us to not have the best interests of Morgan county and its citizens at heart. Mr. Murphy is highly qualified, sober, honest, competent, independent, yet always cooperating with all other elected officials. His voting record in the state legislature shows that he always supported measures favorable to farmers, schools, veterans, the old and needy, roads, and in every instance, those measures favorable to the citizens of his district.

This endorsement was not solicited by Mr. Murphy, but for these reasons, we think we should elect him to the state senate. Let's not let paid workers persuade us to vote against our county man and our best interests. Let's vote and work hard in this county for the election of Earl F. Murphy for State Senator.

### MAY SAYS RUMORS ARE FLYING

TO THE VOTERS OF  
MORGAN COUNTY—

The day when you will choose your next County Court Clerk is drawing very near. I have been trying to talk personally with as many of you as I could. I have been conducting a clean campaign which is absolutely void of any mud slinging. However, at this late hour some worried individuals are beginning to spread false rumors. These rumors are to the effect that I am not a real candidate but am conducting my campaign only to help defeat others in the same race. It seems that as the time draws near that my opponents are becoming worried and thus started this false statement thinking that it was too late for me to tell the people that it is false. It is too late for me to talk with each one of you about it and that is the reason for this statement.

I am conducting my own campaign. I have been working hard and feel that I will win the primary. I am going to work toward this end until the polls close. I want to serve the people of Morgan County as their next County Court Clerk.

Give me your vote on August 1, and I in return will give you four years of good honest service as your County Court Clerk and servant.

## ANNOUNCEMENT

The 1952 session of the General Assembly, of which I was a member, enacted a law requiring persons applying for old age assistance to give a lien on any real estate they owned before becoming eligible for old age assistance. It is a matter of public record that I DID NOT VOTE FOR THIS LAW. It is also a matter of public record that my opponent J. Everett Bach did vote for this law. Therefore, I feel that I am entitled to the support of the old and needy people and of their friends.

## Wm. (Billy) Smith Talks To The People of Morgan

Ladies and Gentlemen of Morgan County—I will endeavor to tell you all about my experience as a public officer and in life. The first office I ever held was deputy clerk of Perry county, Ky. for four years. I served four years as deputy sheriff under Bigge Combs of Perry county and served four years under Sheriff Frank Horn in Perry. I served 4 years under Richmond Combs in Perry county.

I moved to Morgan county in 1924. Since I moved to Morgan I have had the honor of being magistrate four years. Then after Oscar McKenzie resigned as jailer, I was appointed to fill out one year of his term. Then I ran for jailer and was elected by a large majority. Four years ago I was on the ballot, but my wife got hurt and I thought I was going to lose her. I never got out of the public square to make any fight at all. Now she is better and I am in the race for jailer and I really believe I will get the biggest vote I ever got in my life.

Out of all this experience as an officer I never got hurt nor hurt ever have hurt anyone. But I have kept many a boy from getting his ears beat down. So go to the polls Aug. 1 and vote for your old friend—

## A STATEMENT FOR JOE FANNIN

TO VETERANS:

I am a veteran of World War II and served overseas three years. I was in many a bloody battle and made three invasions.

I am asking the veterans and their friends to support Joe Fannin for County Clerk as I think he is the man for the job. I don't have any interest in the office, only as a friend. And I think Joe Fannin is as honest and upright citizen as there is in West Liberty.

It stands to reason...

# Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

When you stop to think about it, the best proof of outstanding value in any product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today... for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, it's the lowest-priced truck line of all! Come in and talk it over with us.

## W. LIBERTY TO BE CENTER FOR 5-COUNTY PLAN

### Berea to Set Up 3rd Area In Ford Foundation Plan

Dr. Chad C. Graham, in a visit to the Courier office during the teachers conference here this week, said that the \$221,000 grant from the Ford Foundation to Berea College to be used in promoting education in East Kentucky is now under way.

Dr. Graham of Berea College explained that two areas of work have been organized for this year. One center is at Pine Mountain School and includes counties of Harlan, Perry, Letcher and Leslie. The other area includes Breathitt, Owsley, Lee, Clay and Jackson counties.

Plans are being made for a third area to begin next year which will include Morgan, Magoffin, Elliott, Menifee and Wolfe counties with the administration center at West Liberty.

The organization in each area will include a supervisor and three to five teachers in each of the counties.

Teachers will be selected if possible through the recommendation of the county superintendent and must have an A.B. or B.S. degree in elementary education and must have graduated since 1951 and will teach in a rural school for three years. At the end of each year the teacher will receive a grant of \$500 to \$1000 for expenses to attend college during the summer and travel and work on a Master's degree.

Each area will have 24 teachers in the project. There will be 48 in the two areas this year and the third area to be established next year will have 24 more. The supervisor of each area will be free to work in cooperation with the county superintendent and board of education in each county and will not be restricted to the teachers in the project only.

Teachers who are interested in receiving this opportunity should consult their county superintendent of schools for further information.

### Two-Day Conference

The Morgan County Elementary Teachers Conference closed here Tuesday evening following a two day session that was devoted to discussion of the educational program. The first day's session concerned chiefly the basic beliefs in education, supplementary material, and retarded children.

Leaders in the various discussion groups were Mrs. Mildred McLain, Snoden Johnson, Annos Conley and Gladys Nickell.

Fred Edmons, state supervisor of teacher training, met with the groups and closed the session by summing up the meet's high points.

Mrs. Louise Worthington, reading consultant for Ginn and Company, spent both days with the teachers answering questions and giving demonstrations. Walton Jones presided the first day and Supt. Stewart the second day. The singing was led by Mildred McLain, and Rev. Wm. Pope and Rev. E. R. Hemphill were in charge of the devotional.

A panel discussion regarding public relations of schools and education was led by Dr. Zell Walter of Morehead College. The panel members were Dr. Charles C. Graham of Berea College, E. R. Hemphill, Earl Kinner, Ralph Brown, Norman Johnson, Morehead College, Herbert Rose, Arnold Kinner, Bernard E. Whitt, and Supt. Carl Stewart.

Points brought up were pupil-teacher relationship, legal aspects of schools, news for the press, community activities and influence of teachers.

Dr. Norman Tant of Morehead, former teacher in Georgia, told how that state had developed an outstanding minimum program for education.

**Fifteen Rural Schools Open**  
Wednesday morning, following the two-day conference, fifteen Morgan county rural schools opened their doors for classes. They are: Spaw Creek, George Lacy teacher; Licking River, Ruby McKinney, teacher; Lenox, Mattie Williams; Lacy Creek, Annos Johnson; Bonny, Mayne Risner; Carter, Bernice Henry; Lucky, Irene Honn; Mize, Gladys Nickell; Burchett Flat, Claudie Rowland; and Linnie Rowland; Vance Fork, Snoden Johnson; Halsey, Malva Stacy; Salem, Mildred Chaney; Caskey Fork, Byron May; Goad Ridge, Mr. Mann; Upper Pleasant Run, Mildred Wilbur. Several other teachers employed are in summer school and will not begin their schools for another week or until the summer session ends. Boards may not employ emergency teachers until after others with certificates are employed and there are no available qualified teachers.

Supt. Stewart said he hopes to have teachers for other schools within a short time.

## Annual Meeting of Christian Churches Set Sept. 18, 19, 20

Annual meeting of West Liberty District Christian Churches, composed of churches in Morgan, Elliott, Wolfe and part of Magoffin county, will be held at the West Liberty Christian church Friday, Saturday and Sunday, Sept. 18, 19 and 20.

Purpose of the meeting, according to Harlan Murphy, chairman, will be to deal with educational and devotional questions and the general improvement of church work throughout the district. All the churches are invited to send delegates with letters to be presented and read, showing the condition of each church in the district. Able ministers will attend and bring good gospel messages.

The ministers in the district are cordially invited to attend.

A complete program of the meeting will be held later.

## KELLY CASKEY SUCCUMBS HERE

Kelly Caskey, 53, died suddenly at his home on Wells Hill at West Liberty last Saturday morning of a heart attack.

He was born Oct. 5, 1899, a son of Thomas and Frances McKenzies.

Surviving are the wife, Mrs. Betty Combs Caskey; two children, Charles Kelly Caskey of West Liberty and Mrs. Frances Jean Howard of Dayton, Ohio; two brothers, Clarence and Oscar of West Liberty, and the following half-brothers and half-sisters, Mrs. Leona Ryan, Stillwater, Okla.; Elmer Caskey, of Dayton, Ohio; Mrs. Emmalee Snapp, Owensville, Ohio; and Mrs. Monte Keeton of Ashland.

## DEPARTMENT OF HIGHWAYS

Frankfort, Kentucky  
July 16, 1953

Lexington has more tobacco warehouses than any other city in the world.

The dwelling.

Three of the six original pheasants hatched by Lee Caskey of Wrigley. From his flock have come enough eggs to start a pheasant-restocking program in Morgan.

## 16 Sportsmen Growing Pheasants For Restocking In Morgan County

Morgan county, which long has been considered the best quail-hunting county in this section, soon may also become the best pheasant-hunting county.

Sixteen sportsmen in Morgan are now engaged in hatching and raising ringneck pheasants with which to stock the county, and ten farmers already have agreed to cooperate with them in posting their land after the birds are released.

The pheasant stocking program commenced last year when Lee Caskey of near Wrigley obtained 12 pheasant eggs from Iowa and hatched them. From the 12 eggs Caskey raised six pheasants—two roosters and six hens.

Caskey used the flock of six pheasants to produce eggs, distributing them to sportsmen who

in turn are raising pheasants this year. Already the 16 sportsmen have hatched out and are raising over 350 ringnecks. They will continue the program through next year, hoping to have raised by that time between 1,000 and 1,200 birds. They will save eggs from the flocks this winter and next year and raise more birds, possibly getting more sportsmen to take eggs to hatch and raise birds.

By late next year they hope to turn at least a thousand ringnecks loose on protected acreage in Morgan.

The 16 sportsmen who are co-operating in raising pheasants this year are: Lee Caskey, Herbert Trayner and Coach Glenn Stanley, Roger Lykins and Richard Gose, Russell Elam, John Nipper, Glenn Johnson, Glenn Clevenger, Kelly Whitt, Clyde Hutchinson, Harry Steele, Charles Perry, Harold Cassidy, Charles Fedders and the Pugett Brothers of Dehart.

Farmers interested in having their farms stocked with pheasants may contact any one of the sportsmen engaged in the program.

### HOWARD-BLANKENSHIP

James G. Blankenship, son of George and Artie Blankenship, was united in marriage to Miss Cora Faye Howard, daughter of Conley and Sadie Howard, at the home of the officiating minister, Rev. Harlan Murphy July 17. The bride and groom reside at Zag.

### ANNOUNCE ENGAGEMENT

Mr. and Mrs. Edward Vest of Omer wish to announce the engagement of their daughter Betty Ann Vest to Dewey Greear of Greear. The wedding will take place at the groom's home at Greear July 25 at 3:00 p.m.

### 1400 Morgan School Children Go by Bus

Each year the Morgan county school system pays \$22,000.32 to transport 1400 children to and from school. Fifty-seven independent school districts pay no transportation costs. Yet all districts receive the same state aid for each child residing in the district.

School districts which must provide transportation for children have fewer dollars with which to provide good schools than districts with no transportation costs. Because of this, most school buses are overcrowded and travel long distances. Hundreds of school children leave home before daylight and return after dark during much of the school year.

Kentucky can provide state funds to help local districts transport children through a minimum foundation program of education. To do this, Section 186 of the Kentucky Constitution must be amended.

### KELLY FOR JAILER

TO THE VOTERS OF MORGAN COUNTY—

This is the last statement I will be able to make before the Primary.

As you very well know I have been unable to get around to see you. I have no car or money and no means of travel except walk.

I have made a few trips out in the county by catching a ride and walking.

The prospects for my election are good. The people assure me that they intend to vote for me. Most people know my condition and intend to give me their support. Every one knows that due to ill health I am unable to do a good job of it. I will, if elected, give to the office the best service that is within me.

I am asking that you please give me this opportunity to serve the jailer and have a home for my little children for four years. I will be very grateful to you for anything that you may do for me.

Yours truly,

## HEREFORD CATTLE SHOW IS PLANNED FOR MORGAN FAIR

A spectacular Hereford Cattle Show is being planned for the Morgan County Fair which will be held Sept. 16-19 in West Liberty. The Hereford breeders of Morgan county, led by President Russell Lane of Ezel, have made sweeping changes in plans for this year's show.

A tent has been rented to shelter the cattle and the animals will be on display three days. Breeders from neighboring counties have been invited and are planning to take part in the show. The show is open to any Kentucky breeder of Hereford cattle. The animals will be brought in on Thursday afternoon. They will be on display until Saturday afternoon.

The judging will take place on Friday afternoon. Buck Boyd of the Boyd Hereford Farms of Dover, Mason County, Ky. will be the judge. He will leave his own show herd at the Kentucky State Fair to come to West Liberty that day and judge the show.

Prizes for the rings will probably be \$7.50 for first, \$5.00 for second and a ribbon for third, with trophies for grand champions and reserves.

The rings for each sex will be as follows:

Junior calf born between Jan. 1, 1953 and July 1, 1953.

Senior calf born July 1, 1952-January 1, 1953.

Junior yearling born January 1, 1952-July 1, 1952.

Senior yearling calved July 1, 1951-January 1, 1952.

Two-year old calves July 1, 1950-July 1, 1951.

Grand Champions.

Hereford breeders in Morgan county include Lane Hereford Farms with W. B. Russell and Warren Lane, Ezel; Sam D. Cecil, Hazel Green; Carl Murphy, Ezel; Glenn Lacy, Grassy Creek; Robert Legg, Ophir, and Don Sebastian's Dan Dee Hereford Farm of Grassy Creek.

## OLDFIELD CHILD KILLED BY CAR

Patricia Ann Oldfield, 6-year-old daughter of Mr. and Mrs. Tommy Oldfield of White Oak, was fatally injured about noon Thursday when she was struck by a car driven by Lt. Winston Owen of Pikeville.

The child was rushed to West Liberty by Eldon Howard, uncle of the child, but was dead upon arrival, according to the report of W. H. Hays, coroner.

Sheriff Clyde Adams and Jeff Williams went to the scene and made an investigation. Lt. Owen, who was accompanied by his wife and child, was on his way to Port Campbell, Ky. He was brought to West Liberty by Sheriff Adams and a charge of manslaughter was filed.

Sheriff Adams said reports are that the child started across the highway in front of the home of Bernard Howard, grandfather of the child, when struck. Sheriff Adams said marks on the pavement indicated that the car had skidded for 195 feet.

## DINGUS & RELIEF JOB ADVERTISED

The State Highway Department this week advertised for bids for the construction and traffic bound surfacing of a 3½-mile sector of the Dingo-Relief road in Morgan county. Bids are to be opened in Frankfort Aug. 7.

The sector extends from the mouth of Coffey's Creek at Dingo on Ky. 437 up Burkes branch to the head of Smith Creek, a distance of 3½ miles. Specifications called for grade, drain and traffic bound surfacing to be constructed under rural and secondary specifications.

## 4000 AT REA SHOW & MEET

A crowd estimated at more than 4,000 persons turned out for the 12th annual meeting of the Licking Valley Rural Electric Cooperative Corporation held July 16 at Hendricks, Magoffin county.

Re-elected as directors of the organization were: R. K. Nickell, Jno. G. Arnett, C. W. Murphy, Earl Cundiff, Ted Adams, Lloyd Burkhon, Joe D. Stacy, and Thos. Richardson.

Miss Phyllis Holbrook of White Oak won the beauty contest and received the title of Miss Licking Valley of 1953. She will compete for the state title in September at the State Fair. Third-place finalist was Miss Geraldine Arnett of Stacy Fork.

The talent contest was won by Salyers of Salyersville and Edna Cecil of Hazel Green won the handicraft contest. These winners will compete later in state contests.

**HERE FROM ARIZONA**  
Mr. and Mrs. Kelse Risner and two children are here from Tucson, Arizona spending a vacation with friends and relatives in Morgan and Wolfe counties.

Rev. and Mrs. Charles Noble will be leading the singing during the revival meeting at the Methodist church from Aug. 5 to 16. This is their second engagement here in West Liberty and all who heard them before are anxious for their return.

They will also direct the afternoon Children's services at 3 o'clock and the Young Peoples Services at 6:30 every evening.

## Beavers Start Colony On Elkfork In Morgan

A few beavers have come into the Elkfork section of Morgan county and are establishing a colony by the building of three dams across Elkfork on the Kenneth Fairchild farm above the mouth of Mordicae.

Presence of the beavers was reported by Autie Adkins, who lives in that section, and Harold Barber, district wildlife biologist, and Dave Adams, county conservation officer, investigated Tuesday. They found much evidence of the beavers, tracks, cut saplings and the beginnings of three dams.

The conservation officer said no beaver had been stocked in Morgan and that they must have come in from Red River, or Fox Creek in Fleming county. Beavers are protected by a closed season the year around in Kentucky.

## Speeding, U-Turns To Be Stopped In Town

West Liberty's city ordinances against speeding motorists and those who make U turns at intersections will be enforced to the letter hereafter, Police Judge Jeff Williams announced this week. Speeding has become dangerous on West Liberty streets and local officials will take steps to curb it, they said.

### RELIGIOUS FILM SUNDAY

A religious film will be shown at the Methodist church Sunday evening at the regular church service at 7:30. The title of the film is "Thy Will Be Done." It is a film that will be enjoyed by all and everyone is welcome.

### REV. POPE IN REVIVAL

Rev. Wm. Pope left Wednesday to commence a 10-day revival at the Methodist church in Grassy Lick, Methodist church in Montgomery county. Rev. Harlan Murphy will occupy Rev. Pope's pulpit at the Methodist church here Sunday morning.

### ALL-DAY MEETING

An all-day meeting with dinner served on the grounds will be held the second Sunday in August at the home of Bradley Baldwin on Upper Lick Branch.

doors. He was in West Liberty Wednesday visiting friends.

Mr. and Mrs. R. C. Day spent several days this week camping at Kays Branch near Mussel Shoals. They took their small camping trailer and report that it was so comfortable that the night they came home the house was so hot they just slept in the trailer in their yard. They plan to go again soon and have invited a West Liberty couple to go along. Mr. and Mrs. Glenn Johnson and children joined them one evening for a weiner roast at the camp.

Sunday before last Anna Jean and Henry Lowell Allen attended regular morning worship at the First Methodist church in Gatlinburg, Tennessee, where they were married the day before, and were asked to remain after church to pose for pictures. It seems that a magazine writer and photographer were present to do an article on the church and wanted pictures of the couple to be used in the story. The feature will appear in a future issue of the Knoxville Journal's Sunday magazine and will portray the church as being "Host to the Nation."

The church, built of native field stone, is set back against the mountain side and is called by many the most beautiful little church in the world. It is also known as "The Little Cathedral of The Smokies."

## WEST LIBERTY 9 LOSES 5-4 TILT TO BERA HERE

### West Liberty Will Play Mt. Sterling There Next Sunday

Hugh Coy combined a 4-run 7-hit pitching effort with a 13-hit batting attack by his teammates to give the visiting Berea club a 5-4 decision over the West Liberty baseball team here Sunday.

Hogge Spencer went the distance for West Liberty but hurled with much less effectiveness than usual. Spencer, whose record is now three wins and two losses, was touched for 13 hits and five runs as he completed his fifth game of the season.

Centerfielder Harold Hammond and third baseman Richie Stacy accounted for four of the Morgan team's 7 safeties. Stacy batted out a single and a double in 4 tries while Hammond collected a pair of singles in 5 swings. Merle Nickell, however, is still the team's leading batsman with a percentage of .454.

Berea took an early lead in the game as they scored twice in the second inning. A home run with a mate aboard by the visiting first baseman accounted for the scoring. The lead, however, was short lived as the local team rallied for a pair of runs in the bottom of the third, thus evening the score at 2-2. Two walks, a sacrifice and a two base hit by Stanley provided the tying markers. Berea again dominated the scoring in the fourth inning when they tallied a lone run. The West Liberty batters were not too happy about the score as they showed in the fifth inning. A single and a triple following a hit batsman produced two runs and for the first time in the game gave them a slim 4-3 lead. The Berea team was not to be stopped as they came back two runs to conclude the scoring with a 5-4 lead.

Although West Liberty had runners on the basepaths during each of the final 3 frames the distance to home plate from first base proved to be a little too far. West Liberty will travel to Mt. Sterling Sunday. They should show improvement over last week's team with the return of outfielder Paul Haney to the lineup after a six weeks absence. Haney has been attending a Marine Training school at Quantico, Virginia.

## FISHING NEWS

Bernard Whitt, Fishing Editor

Note to the Fishing Editor: Here is "proof of the pudding."

The above picture shows the catch of striped bass caught by Chalmers Allen and husband Henry recently at Elam's Boat Dock in Friendsville, Tenn. The sport of fishing for striped bass was unique to some of us, new to the game. The idea is first to go fish hunting and then fish fishing. A motor boat is a requisite. You go out on the lake, look for a school of bass, which can be sighted when they jump out of the water after shad minnows. Once school is sighted, you take off quick and stop right in the thick of the jump, then cast as fast as possible. We usually got four or five fish a jump, and we sighted the jumps within a few minutes of the other. Bait used consisted of two or three "haddock" at the end of a leader.

Back at the dock, we spent some time just visiting with Bill and Hazel May, see Elam. Hazel is a member of the Eastern Star, and she and Bill—both former West Liberties—have made many friends in the year or so they have been manager of the dock.

Selma Allen was fish stringer and verifies the number caught.

Your Associate Editor

Note: The fishing editor wishes to correct the impression in last week's paper that the Associate Editor was unduly influenced to enlarge upon the fish story. This picture is positive proof of the magnitude of the story, a rare quality in fish stores.—Whitt.

# MORGAN COUNTY SCHOOL ACCOUNTING REPORT

Commonwealth of Kentucky  
DEPARTMENT OF EDUCATION  
Bureau of Finance  
ANNUAL REPORT—FINANCIAL  
School Year Ending June 30, 1953

TO THE CITIZENS OF MORGAN COUNTY:

Herewith is published a financial statement of the Morgan County Board of Education for the school year beginning July 1, 1952 and ending June 30, 1953.  
July 1, 1950, when I took office as Superintendent of Schools, I promised to save what I could and keep you informed. At that time there was an indebtedness of \$91,000. That has been reduced to \$50,000 which is in bonds. Several thousand dollars have been saved in fuel alone. For example the school year 1948-49 the coal cost \$8,171.68. The largest amount spent for coal any school year since I have been in was \$4,751.40, a saving of \$3,420.28. I have tried to save money, and paint and repair school buildings, increase teachers' salaries and transportation for the children. I have visited every school in the county and learned to know the parents and children. I am interested in seeing the county have good government. The taxpayers' money is going for the good of the schools and we hope to do much more in the future, and we are deeply interested in doing everything possible for better schools for Morgan County.

Yours for a better school program,

CARL STEWART, Superintendent of Schools.

## SAFETY MEASURES CITED

The following safety measures were cited recently before members of the local REA coop by Herman Brawner, the Kentucky RECC Safety Director.

Report any unsafe hazards that might exist on your lines, such as fire (REA calls it electrical are) jumping from pole to insulator due to broken insulators or damaged lightning arrestors, transformers. Report trees that are burning due to the wires being too close.

Sometimes a guy-wire becomes disconnected from the anchor at the ground and the pole leans, causing slack in the wire which if touched could cause a fatality. An important reminder: never allow children to ride guy-wires or touch the wires with anything.

Only qualified persons should install TV antennas and these should always be on the opposite side of your house and the power line.

Never use a frayed or frizzled ironing corn. Never use an iron plugged in a socket that swings from the ceiling as overloading might result causing the cord to catch fire. Always iron from a wall receptacle. The same thing applies to refrigerator, washing machine or other small appliances.

Keep your switch box where it can be opened at all times. Do not leave any open paint, paper, rubbish, oily rags near the switch box. Never leave gasoline in the house at any time. Do not use it for cleaning fluid or to start fires.

### Juanita Vest, Harold Lacy Exchange Vows

Mr. and Mrs. Tom Henry Vest  
announce the marriage of their  
daughter Juanita to Harold Lacy,  
Miss Vest is a graduate of Ezel  
High school. She attended More-  
head College and taught two  
schools in Morgan county, and is  
now employed at Cappel & Mc-  
Donald Advertising Co. in Day-  
ton, Ohio.

The groom is the son of Mr.  
and Mrs. Henry Lacy, formerly  
of Cannel City. He attended the  
Cannel City high school and is  
now employed with Delco in  
Dayton, Ohio.

The vows were exchanged on  
July 1 in a double ring ceremony  
performed by Rev. Harlan Mur-  
phy in the presence of Mac Vest  
and Janice Nickell.

A reception was held at the  
bride's home after the ceremony.  
The couple will make their home  
in Dayton, Ohio.

Being the same land that was  
conveyed from S. B. Reece and  
Gertrude Reece, to Elijah Keeton  
by deed dated December 12,  
1912 and recorded in deed book  
41, page 156, Morgan County  
Clerk's office.

The purchaser will be required  
to pay cash for the amount of the  
purchase price immediately upon  
sale or execute a good and suf-  
ficient bond at said time for the  
amount of purchase price, due in  
6 months from date and bearing  
interest at the rate of 6% per  
annum from date until paid.

### Soil Conservation Dist. News Notes

By Berlyn Brown

"My terraces have already been  
a big help to my tobacco field  
this year," said Asa Kemplin of  
Woodsbend. "I don't believe that  
I have lost a tub full of soil from  
my tobacco field that I terraced  
this spring, but I have noticed  
some serious erosion in my com-  
munity this year on unterraced  
land that is in cultivation," he  
continued.

Soil Conservation Service tech-  
nicians working with the district  
surveyed 11 miles of broad base  
terraces for Asa and he con-  
structed them with his tractor  
and double plows (mold board  
type). Asa established 3000 sq.  
ft. of sod waterway as an outlet  
for the terraces. It took about 7  
hours to construct the terraces  
and about an hour to prepare the  
outlet for fertilization and seed-  
ing.

S.C.S. engineers working with  
the district have made all the  
necessary surveys and have de-  
signed complete irrigation sprink-  
ler system for Harold Rose, Ezel.  
The water impounding dam for  
the irrigation system was sur-  
veyed and constructed last fall  
and is now full. The dam is 20  
ft. high and the water is 16 ft.  
deep. The surface area is 2.32  
acres and the capacity is 15 acre  
feet of water. (This is enough  
water to cover a 15 acre field to  
a depth of 1 ft.) Harold plans to  
use this water to irrigate tobacco,  
alfalfa and pasture. He will also  
use the pond for stockwater and  
fish production.

Since last Dec. 1, tile drainage  
systems have been surveyed for  
75 farmers in the county amount-  
ing to 75,000 feet of tile. Also  
during the same period 81 farm-  
ers became new district coop-  
erators.

This week Chalmers Williams  
and J. H. Crase, Burg, and J. L.  
McNeely and Joe McKinney of  
Grassy Creek requested assis-  
tance from the district in plan-  
ning and applying a soil and wa-  
ter conservation program at their  
farms.

### Life Story of Vinson On WLW Program

Chief Just of the United States  
Fred M. Vinson was saluted on  
radio station WLW's "Personalities  
in Your Government" pro-  
gram Sunday, July 19.

The program, which was an  
original biographical sketch of  
Vinson's background, his experi-  
ence with tax legislation as a  
Congressman, and his experience  
of war mobilization under former  
president Franklin D. Roosevelt.

Vinson, who is now 63 years  
old, has devoted the last 44 years  
of his life to some phase of law.  
He is a former Commonwealth's  
Attorney and practiced law in  
this area for several years at one  
time. He was born in Louisa.

Former President Truman ap-  
pointed Vinson to the Chief Jus-  
tice post after the sudden death  
of Chief Justice Harlan Stone.

Special credit was given Vin-  
son's willingness to work and his  
growing popularity because of  
this. His success in legislative  
work was also pointed out.

Rowan Couple Make  
Sacrifice In Order to  
Aid Children's Home

MOREHEAD, Ky.—The deep  
love and inward affection for all  
children by a Morehead couple  
was the final and contributing  
factor in the location of the new  
Baptist home here.

Mr. and Mrs. Glennis Fraley  
sold a plot of 125 acres on the  
north side of their farm on KY  
32 (Flemingsburg Road) to the  
General Association of Baptists  
for \$20,000.

The Fraleys had been offered  
much more for the site, but they  
had never intended selling it.  
When first approached by the  
Baptist committee they advised  
the group the tract was not for  
sale at any price. But, after  
learning the nature of the pro-  
ject—that it would be the home  
for the rearing of orphaned and  
abandoned boys and girls—they  
decided to let the church have it.

FLOCK PAYS OFF

H. C. Spillman and Son, Graves  
county, raised 104 lambs from 88  
ewes. They sold 73 lambs for  
\$1,898 and have 31 left to sell  
later this season. Adding pro-  
ceeds from wool will give them  
a gross income of about \$3,000  
from the flock, when the rest of  
the lambs are sold, according to  
UK County Agent Wilson Hoover.

Planting of white corn in Es-  
till county more than doubled  
the previous years.

### • LETTERS TO THE EDITOR

The Courier—  
You will find my check for  
\$3.00 for The Courier for another  
year. We always are looking for  
it every Saturday and enjoy the  
news from all over the county.  
U. E. NICKELL, M.D.  
Davenport, Oklahoma

The Courier—  
Am enclosing check for re-  
newal of my home paper. I  
would hate to miss any copy.  
We are enjoying good rains af-  
ter nearly two months of dry  
weather. We will not have as  
good corn this year as last year,  
but we are thankful to get rain.  
Would love to visit in Morgan  
again. Best wishes to you all.  
MRS. M. J. ROBISON  
Merwin, Missouri

Dear Mrs. Stacy:  
Congratulations! Your check  
and report are wonderful and I  
cannot begin to tell you just how  
much we appreciate your fine  
report. The success of your ef-  
forts gives us real pleasure for  
you, as well as for the Kentucky  
Division.

The increase in collections is  
solid proof of your excellent  
work and you deserve both our  
compliments and our gratitude.  
Of course, Morgan county is on  
the Honor Roll and we are look-  
ing forward to having you with  
us at the Achievement Dinner on  
November 12. Most of our county  
chapters have done remarkably  
well and we are looking forward  
to our best campaign year.

With every good wish to you  
for a pleasant and cool summer,  
I am

Society, Louisville

### Kerr Says Ike Will Be Haunted Man

Sen. Robert S. Kerr (D-Okla.)  
said that President Eisenhower  
has "done a number of things  
that will rise up to haunt him."

He said the "greatest damage  
to the economy and the people"  
was the President's appointment  
of Ezra T. Benson as secretary of  
Agriculture and George Humphrey  
as Treasury secretary.

"No two men ever stayed in  
office so short a while and did so  
much damage to so many," Kerr  
said on the CBS television show,  
"Man of the Week."

He criticized Benson's farm  
policies and Humphrey's "hard  
money" policies.

## Statement of Charles H. Davis

To The Voters of the 34th Senatorial District:

Below is the voting record of the General Assembly on Bill 101 which  
is a law to require old age, blind, and parents to give a lien on their real  
estate in order to draw the benefits.

You will note that Everet Back was the first one to vote for the bill and  
Earl F. Murphy passed. So can you now depend on Earl F. Murphy to  
vote for a repeal of this act?

VOTE RECORD IN THE HOUSE OF REPRESENTATIVES ON THE

Mr. Back and Mr. Murphy both voted for bill 158 in regard to use of  
Black Powder in mining. This bill requires mine operators to pay  
\$15.00 license and have a survey made by a certified engineer that will  
run about \$80.00 to the mine, and this bill has put hundreds of small  
mines out of business as well as raising the price of coal.

I am a licensed mine foreman—that is, I have a mine foreman's certi-  
ficate and know about the operation of mines.

I pledge to you that when I am elected I will vote and work for the ap-  
peal of the Land Lien Law on the Old Age, Blind, and Dependant chil-  
dren so that you won't have to give your little homes to the State.

I pledge to you that I will vote to repeal the Mine laws that are putting  
the mines out of business and raising your coal prices.

Respectfully submitted,

**CHARLES H. DAVIS**  
Jackson, Ky.
